Original 3T's come through and cut cleanIt's gotta be you
Bop your heads to this
It's gotta be you
No one else can do all the things you doI miss the way you feel
Can't believe you're gone for real
I gave you all I had
A lovers paradise gone badI see you in the movies
And on the paper
And in every face I know
I'm trying to forget you
But I can't girl
True love is not for showIt's gotta be you
No one else can do all the things you do
It's gotta be you
Give me one more chance to get next to you
It's gotta be youIt's gotta be you
Really what I need, really what I want
And I really know I really want you back
You got me like a zombie
Nymphomaniac getting none
See you really miss my little kitty cat
It's getting kind of crazy
Ground is getting shaky
Got myself a triple hit and everything is black
Cronic like a bomb blow me up and now you're gone
'Cause your nappy headed friends say I'm bad
That's a factI see you in the movies
And on the paper
And in every face I know
I'm trying to forget you
But I can't girl
True love is not for showIt's gotta be you

No one else can do all the things you do
It's gotta be you
Give me one more chance to get next to you
It's gotta be youI need a second chance
I need some time to understand
Is this how it all will end
No explanations in your game
Bop your heads to this, come on ya'llIt's gotta be you
I don't see one
But I guess you got your own
I hear it on the grapevine
That your not mine
Now I got to let you knowIt's gotta be you
I don't see one
But I guess you got your own
I hear it on the grapevine
That your not mine
Now I got to let you knowIt's gotta be you
No one else can do all the things you do
It's gotta be you
Give me one more chance to get next to you
It's gotta be youIt's gotta be you
