Uptown

Sham 69

UptownWe got up late, because we couldn't sleep
We go uptown, on the undergroundYeah, we fall from the sky just to learn how to cry
We dance and we sing just to wash it all clean
And the games that we play are the things that we say
And the reason that we are is cause we do it all dayUptownWe stole a car, just to see how far
We smoked a fag, because life's a dragYeah, we fall from the sky just to learn how to cry
We dance and we dream just to wash it all clean
And the games that we play are the things that we say
And the reason that we do is cause we do it all dayUptownWe say a prayer, because we're well aware
That it's up and down, it's round and roundYeah, we can fall from the sky just to learn how to cry
We dance and we dream just to wash it all clean
And the games that we play are the things that we say
And the reason that we do is we do it all dayUptown
