Gasoline House

Tony Norton

(Verse 1)I got a ass pocket full of whiskey. I got a front pocket full of smoke. Damn that woman done kicked me out,said I can't home no more.
(Chorus)Don't drop a match in the gasoline house.I said don't drop a match in the gasoline house. That ol woman done come and kick me out. I said don't drop a match in the gasoline house.
(Verse 2) I said baby I'll play the blues for you,work my fingers to the bone. All she can say daddy well you know,that thrill is gone
(Chorus)Don't drop a match in the gasoline house. I said don't drop a match in the gasoline house. That ol woman done come and kick me out. I said don't drop a match in the gasoline house.
(Verse 3)Well I caught that ol woman sleepin with another man in my bed. I came in with my sawed off shot gun. Made sure they was dead.
(Chorus)/outro)Don't Drop a match in the gasoline house. I said don't drop a match in the gasoline house. That ol woman she don't bother me now. I said don't drop a match in the gasoline house.
