

High Speed Dirt (Demo)

Megadeth

Do it if you dare
Leaping form the sky
Hurling through the air
Exhilarating high
See the earth below
Soon to make a crater
Blue sky, black death
I'm off to meet my makerEnergy of the gods, adrenaline surge
Won't stop 'til I hit the ground, I'm on my way for sure
Up here in the air, this will never hurt
I'm on my way to impact, taste the high speed dirtParalyzed with fear
Feel velocity gain
Entering a near
Catatonic state
Pressure of the sound
Roaring through my head
Crash into the ground
Damned if I'll be deadEnergy of the gods, adrenaline surge
Won't stop 'til I hit the ground, I'm on my way for sure
Up here in the air, this will never hurt
I'm on my way to impact, taste the high speed dirt
