

# Just to Satisfy You

[Bobby Bare](#)

Someone's gonna get hurt before you're through  
Someone's gonna pay for the things you do  
How many will it take how many hearts must break  
Just to satisfy you just to satisfy you  
Another love another fool to play your game  
Another love another fool they're all the same  
Someone's gonna get hurt before you're through  
Don't be surprised if that someone is you  
You're gonna find when it's too late a heart that just won't break  
Just to satisfy you just to satisfy you  
[ vibes ]  
You're gonna find when it's too late a heart that just won't break  
Just to satisfy you just to satisfy you just to satisfy you just to satisfy you
