Takin' Off This Pain

[Ashton Shepherd](#)

I've got a cold beer in my right hand
In my left I got my weddin' band
I've been wearin' it 'round now for way too long
And I'm more than ready to see it gone
And I'm the only one who can set myself free
So I'm takin' off this pain you put on meI remember when you gave me that ring
It was supposed to mean somethin'
Instead this meant a whole lotta nothin'
You don't never even talk to me
I just get to do your laundry
You sit there and you watch the TV
Even when I'm lookin' sexyBut now I got this cold beer in my right hand
In my left I got my weddin' band
I've been wearin' it 'round now for way too long
And I'm more than ready to see it gone
And I'm the only one who can set myself free
So I'm takin' off this pain you put on meAnd right now I'm feelin' so right
Hey, I'm havin' a ball tonight
And I'm bein' noticed for the first time in a long time
How 'ya doin' sittin' at home?
I hope you feel lost and alone
And I hope ya miss me every second that I'm goneOh, while I got this cold beer in my right hand
In my left I got my weddin' band
I've been wearin' it 'round now for way too long
And I'm more than ready to see it gone
And I'm the only one who can set myself free
So I'm takin' off this pain you put on meYeah, I'm the only one who can set myself free
So I'm takin' off this pain you put on me
I've got a cold beer in my right hand
In my left I got my weddin' band
