

# Come Under the Covers

## Walk the Moon

tiptoe  
down the hall from where you live  
these floors are talkative  
but it's alright, it's alrightso quiet  
a little house out in the woods  
and it would feel so good  
if you would stay, if you would staysummer is over  
and I wanna leave you satisfied  
summer is over  
and I can feel the cold changing us inside  
COME UNDER THE COVERS  
'cause I wanna leave you satisfied tonightin the low light  
two white shadows become one  
put your moon in my sun  
and set me on fire, set me on firesummer is over  
and I wanna leave you satisfied  
summer is over  
and I can feel the cold changing us inside  
COME UNDER THE COVERS  
'cause I wanna leave you satisfied tonightsometimes  
it's like you grew up down the street  
it's such a mystery  
the way you know me, the way you know mesummer is over  
and I wanna leave you satisfied  
summer is over  
and I can feel the cold changing us inside  
COME UNDER THE COVERS  
'cause I wanna leave you satisfied  
summer is over, summer is over  
summer is over, summer is over
