Too Sad to Cry

Imelda May

I'm too sad to cry, you won't find a tear in my eye
My baby's gone and hurt me so
I'm way too sad to cry
I'm too tired to die, though my heart has just waved me goodbye
Why so wrong I'll never know
I'm way too tired to die
What do I do now, oh I don't care
Where do I go now, oh where oh whereNot thinking straight now, oh I despair
Lord won't you carry me away from here
I'm too sad to cry, you won't find a tear in my eye
My baby's gone and hurt me so
I'm way too sad to cry
