Chrome Invader

Babylon Zoo

I'm wired for weird and I'm on attack
My life tastes delicious
Somebody told me I was Asian trash
Man I'd like to listen to the words you had to say
It's like a bullet lodged in my head
Time to listen, what you're missin'
I'm just a rock'n'roll superman
Do you know who you are, who you are
I'm a laser-guided superstar
Who you are, who you are
I'm a juvenile in a cage
A cosmetic boy insaneReturn of the Chrome Invader
Asian kid with eyes electric blue
There's nothing he can't do, oh oh
Calling the Chrome Invader
Cosmic kid with all the latest moves
He's a crazy dude, oh oh oh
I'm a King Kong Groover on an ego trip
With atomic vision
Somebody told me I was fortunately hip
Man I'd like to listen to the words you had to say
It's like a bullet lodged in my head
Time to listen, what you're missin'
I'm just a rock'n'roll superman
Do you know who you are, who you are
I'm a laser-guided superstar
Who you are, who you are
I'm a juvenile in a cage
A cosmetic boy insaneReturn of the Chrome Invader
Asian kid with eyes electric blue
There's nothing he can't do, oh oh
Calling the Chrome Invader
Cosmic kid with all the latest moves
He's a crazy dude, oh oh ohHidden in his eyes is the love that's no surprise
But are we all too young to die,
Are we all too young to die
Hidden in his eyes is the love that's no surprise
But are we all too young to die,
Are we all too young to dieCalling the Chrome Invader

Cosmic kid with all the latest moves
He's a crazy dude, oh oh oh.
