

Someday Girl

Hunter Hayes

Oh yeahEverybody's got their someday
dreamed up, mapped out.
Gonna find somebody some way,
but no one knows how.
Been dreaming for a while myself,
and looking for my someone else.
But I never thought I'd meet my someday
so soon, this way.Hello heaven in green eyes,
angel with the gypsy curls.
Goodbye hoping and waiting,
you're my someday girl.
You're better than everything, sweeter than fantasy.
Girl when you look at me I know
that you're my someday girl.
Oh, and I've found my someday girl.I'm thinking of a quiet place
outside of the city.
I'm gonna wanna spend some long days
with you, with me.
Whenever and whatever we do,
I just wanna do forever with you.Hello heaven in green eyes,
angel with the gypsy curls.
Goodbye hoping and waiting,
you're my someday girl.
You're better than everything, sweeter than fantasy.
Girl when you look at me I know
that you're my someday girl.
Oh, and I've found my someday girl.Been making our history, painting reality,
promises yet to be spoken.
Living on "gonna be's", right where we wanna be,
but baby my heart is wide open.Baby, I'm all yours.
I've found my someday girl.
Baby, you're my someday girl.Hello heaven in green eyes,
angel with the gypsy curls.
Goodbye hoping and waiting,
you're my someday girl.
You're better than everything, sweeter than fantasy.
Girl when you look at me I know
that you're my someday girl.
I'm glad I've found my someday girl.

Yes I did.(You're my someday girl)
Oh, I'm so glad I've found my someday girl
