

Two Sided Politics

Suicidal Tendencies

I'm not anti-society, society's anti-me
And I'm not anti-religion, religion is anti-me
And I'm not anti-tradition, tradition is anti-me
And I'm not anti-anything, I just wanna be free
Fascist state, no freedom
Unless you control yourself
Use self expression, lose your freedom
You're undesirable, you go straight to jail
Two sided politics
What's there in it for me
Kill someone in a war
Get a medal, you're a hero
Protect yourself in every day war
You're a minority you go straight to jail
Two sided politics
What's there in it for me
I'm not anti-Reagan, Reagan's anti-me
I'm not anti-government, government's anti-me
I'm not anti-politics, politics is anti-me
I'm not anti-anything, I just wannna be free
Innocent, never guilty
High class lawyer, you are rich
If you're poor must be guilty
Even if innocent you go straight to jail
Two sided politics yeah
