Huh, pull up, fros up, with the door up
Chopper in the club, I don't care who show up
Watch lookin' like a glow up, when I throw up
East Side pour the Crys' wrote why I grow up
Hold up, lil homie tone it down
'Cause the jewelry that you rockin' is for kids, I'm a grown up
Sat courtside right next to the owner
Lookin' so good, make his wife pick her phone up
Big gold boulders, in my Rollie
Look like real flesh, make you wanna pick a stone up
If everybody got a watch like that
Then why would I want that watch? I'm a loaner
[?]
Got that car 'fore I got it, now I really don't wanna
You never seen a nigga glow up like this
Not a nigga that was trappin' on a corner[Pre-Chorus: Chris Brown]
Wop, wop, wop, wop

VVS the wrist (VVS the wrist)
Wop, wop, wop, wop
Might steal your bitch (might steal your bitch)
Wop, wop, wop, wop

Wop, wop, wop, wop
Might steal your bitch[Chorus: Chris Brown]

Tone that shit down
Weak nigga, ball like this
Tone that shit down
Tell me who gon' ball like this[Verse 2: Gucci Mane]
Go, your man CB, jewelery 3D
Tryna be like me, ain't easy
Niggas hate me, mamas wanna date me
'Cause I got all these VVS pieces
In that Great thing
2018 Rolls Royce, chopper for no reason (huh)
Wanted all my time, please water like a Fiji
Parked in front of the St Regis
I just wanna meet Meek
Ballin' like an athlete, but I ball all four seasons
Diamonds, thats just like Breazin
Take it easy, Breezy go easy
Bitch goes in all my pieces
Gucci Mane stunt like Meechy
Jewelery so gold, I'm sneezin'
Pull up South Beach, no season[Chorus: Chris Brown]

Yeah, four, four, drippin'
I be on a hunnids rolls
Fight, weed, hit it
Have a nigga seeing ghost
Tell me what to do, 'cause I'm tryna get to know you
