

# Toxic (feat Cheesa)

## District 78

Baby can't you see  
I'm coming  
A guy like you should wear a warning  
It's dangerous  
Falling  
There's no escape  
I can't wait  
I need a hand  
Baby give me it  
I'm dangerous  
I'm running  
Too high can't come down  
Losing my head spinning round and round  
Can you feel me nowWith the taste of your lips I'm on a ride  
You're toxic I'm slipping under  
With the taste of a poison paradise  
I'm addicted to you  
Don't you know that you're toxic  
Don't you know that you're toxicAnd I love what you do  
Its getting late  
To give you up  
I take a sip  
From the devil's cup  
Its already taken over me  
Too high can't come down  
Its in the air and its all around  
Can you feel me nowWith the taste of your lips I'm on a ride  
You're toxic I'm slipping under  
With the taste of your poison paradise  
I'm addicted to you  
Don't you know that you're toxic  
Don't you know that you're toxicIntoxicate me now with your love or more  
I think I'm ready now  
I think I'm ready now  
Intoxicate me now with your love or more  
I think I'm ready now  
I think I'm ready nowWith the taste of your lips I'm on a ride  
You're toxic I'm slipping under  
With the taste of your poison paradise

I'm addicted to you  
Don't you know that you're toxic
