Water (Radio Edit)

Sushy

Alright
I love this vibe
I love this vibe
I love this vibe
I-I-I love itI wanna go out in the street
Let me get out of my heels
I wanna swim in the air
Just be myselfNo more pains
And no more bling bling
A week off, yea that's what I need
I got the sun in my hair, yeah
Just be myself
I'm in the water
I'm in the water
I'm in the water
Ah ah
Just be myself
I'm in the water
Swim in the water
Washing away my days
I'm in the water
Play in the water
Summer is back againWanna feel it again and again
Chilling out, chilling out
And play
Wanna do it again and again
Live it up, live it up
Feeling O.K.
I'm the water
Yeah
I feel we need some change
Sometimes we need some days of
Summertime, summertime
Don't ask me why
I'm feeling like I'm flying
Summertime, summertime
Feels like I'm diving in the sky
But I'm fineI'm in the water
(I'm in the water)

I'm in the water
(I'm in the water)
I'm in the water
(I'm in the water)
Ah ah
Just be myselfI'm in the water
Swim in the water
Washing away my days
I'm in the water
Play in the water
Summer is back againWanna feel it again and again
Chilling out, chilling out
And play
Wanna do it again and again
Live it up, live it up
Feeling O.K.
Oh
Oh
Feeling O.K.
Oh
Oh
Live it up, feeling O.K.
Oh
Oh
Feeling O.K.
Live it up, live it up
Yeah
Lovely weather, fun forever
That's the way it goes
Come together
Sounds better
When the music flows
In the sunshine
I meet up my friend
In the moonlight
You're holding my hand
Wishing this summer would never end
So get in the water,
Sing it againI'm in the water
Swim in the water
Washing away my days
I'm in the water
Play in the water
Summer is back againWanna feel it again and again
Chilling out, chilling out

And playing
Wanna do it again and again
Live it up, live it up
Feeling O.K.I'm in the water
Swim in the water
Washing away my days
I'm in the water
Play in the water
Summer is back againWanna feel it again and again
Chilling out, chilling out
And playing
Wanna do it again and again
Live it up, live it up
Feeling O.K.
Feeling O.K., yeah
Feeling O.K.
Feeling O.K.
