

# Space Cowboy

## Jamiroquai

Everything is good and brown  
I'm here again with a sunshine smile upon my face  
My friends are close at hand  
And all my inhibitions have disappeared without a trace  
I'm glad, oh that I found somebody who I can rely on This is the return of the space cowboy, interplanetary good  
vibe zone  
Say at the speed of cheeba, you and I go deeper  
Maybe I'm gonna have to get high just to get by  
You know I got that, I got that cheeba cheeba kinda space cowboy vibe Everything is good oh and green  
Say I'm red again and I don't suppose I'm coming down  
I can see clearly, so high in sky  
A man with psychedelic picture frames of happiness to shade his eyes  
He's glad, oh that he found, somebody who he can rely on This is the return of the space cowboy  
Inter-planetary good vibe zone  
Say at the speed of cheeba, you and I go deeper  
You and I, you and I, you and I, hey Now this is the return of the space cowboy  
He's got that, he's got that inter planetary good, good vibe zone Oh good times, hard times, good vibes, hey  
Oh I like what you're doing out here, yeah  
This time Now, this is the return of the space cowboy  
Inter planetary, inter planetary good vibe zone  
At the speed of cheeba, oh you and I  
You and I go deeper, hey  
Maybe I'm gonna have to get high this time This is the return of the space cowboy  
Inter planetary good vibe zone  
Say at the speed of cheeba, you and I go deeper  
You and I, you and I, you and I  
You and I, you and I, you and I  
You and I, you and I, you and I, hey We're going deeper, yeah  
We're going deeper, yeah  
We're going deeper, yeah Now this is the return of the space cowboy  
Good times, hard times, good vibes, oh  
Inter planetary good vibe zone Yeah, I know from where it's comin' from Now we've got people  
At the speed of cheeba  
You and I go deeper  
I'll stay with you on this  
On this inter planetary level This is the return of the space cowboy  
Inter planetary, hey a good vibe zone  
Speed, speed, at the speed of cheeba  
Oh you and I, you and I, oh you and I go

Hey, hey, hey, you and I go deeper, deeper  
I wanna go, I wanna go deeper with you You know, you got that, you got the space cowboy  
Inter-planetary good vibes, good vibes, good times  
At the speed of cheeba  
Gotta go, gotta go, got to go
