

Hey Pretty Girl (Live in Nashville)

Kip Moore

Hey pretty girl, won't you look my way?
Love's in the air tonight
You can bet you make this old boys day
Hey pretty girl, won't you look my way? Hey pretty girl, can I have this dance?
And the next one after that
Gonna make your mind there's a real good chance
Hey pretty girl, can I have this dance? Hey pretty girl, it feels so right
Just like it's meant to be
All wrapped up in my arms so tight
Hey pretty girl, it feels so right Life's a lonely, winding ride
Better have the right one by your side
And happiness don't drag its feet
And time moves faster than you think Hey pretty girl, wanna take you home
My momma's gonna love you
She'll make me sleep on the couch, I know
But hey pretty girl, wanna take you home Hey pretty girl, lets build some dreams
And a house on a piece of land
Plant some roots and some apple trees
Hey pretty girl, lets build some dreams Life's a lonely, winding ride
Better have the right one by your side
And happiness don't drag its feet
And time moves faster than you think Hey pretty girl, you did so good
Our baby's got your eyes
And a fighters heart like I knew she would
Hey pretty girl, you did so good Hey pretty girl when I see the light
When it's my time to go
Gonna thank the Lord for a real good life
Pretty little girl and a beautiful wife
