

Just In Time

Dean Martin & Nelson Riddle & Orchestra

Just in time, I found you just in time
Before you came my time was running low
I was lost, the losing dice were tossed

My bridges all were crossed, no where to goNow you're here, now I know just where I'm going
No more doubt or fears I've found my way

For love came just in time, you found me just in time

And changed my lonely life that lucky dayNow you're here, now I know just where I'm going
No more doubt or fears I've found my way

For love came just in time, you found me just in time

And changed my lonely life that lucky day
