We Shall Be Happy

Joseph Spence

You know you got to go along and you got to be happyâ€¦

Pray to god thereâ€™ll be no dying
When we get home to glory land
So be happy, happy all the time

Meeting with dear friends and loved ones
Knowing that we shall part no more
So be happyâ€¦

Be happy, happy all the time
Singing and shouting, shouting in the climb
When we see Jesus in his glory
and the glad bell begin to chime
So be happyâ€¦

Justice all been lift for everyone
Even it be with a crystal

So be happy, happy all the time
Meeting with dear friends and love ones
Knowing that we shall part no more
So be happyâ€¦

So be happy,
Happy all the time
Singing and shouting, shouting in the climb
So be happyâ€¦

When we see Jesus in his glory
And the glad bell begin to chimeâ€¦

When we get there and see our Savior
Hereâ€™s glad welcome to that shore
So be happyâ€¦
