

# Home (C.C.'s Story)

## Poison

I want to go  
I want to go home now  
I want to go  
I want to go home now  
Let's go Saturday night, Rainbow Bar and Grill  
Where there's cocaine lines and a little white pill  
A beer and a gin, now I can't see straight  
Slip it in, no glove, oops, too late I remember her face but forgot her name  
She forgot mine too, ain't that a shame  
Smelled like reefer and my hair's in a mess  
I left my love running down her dress I want to go  
I want to go home now  
I want to go  
I want to go home now Dave from Drowning Pool is here  
Steals my women and he drinks my beer  
Buys me a pizza and a shot of Jim Beam  
And ask who the fuck is Angeline I to to piss the parking lot well I  
Get in a fight but I don't get caught  
Hell, no problem 'cuz the night's still young  
I want a little more, gonna get ya some I want to go  
I want to go home now  
I want to go  
I want to go home now CC, let's go Rock stars, movie stars, a Hollywood scene  
I eat dinner with Nick Cage and Charlie Sheen  
Nick asks me what the hell unskinny bop means?  
It's slang for CC banging a porno queen Mario, Michael, Tony and Steady  
RV won't ya get table six ready?  
My platinum records hang all around  
Rainbow's home when I'm in this town
