Finally

Toy-Box

Finally (ola Senorita!)
Finally
We will be together finally...Finally
Summer sun keeps shining
Finally
We will soon be dancing
You and me
We will be together finallyEveryday, I'm counting the days
Why did you leave, why did you go away?
I sit by the phone, I'm feeling alone
But I know you're on your way homeI'm coming, I'm coming, so baby hold on
I love you, I love you there's no denying
Miss you, I miss you, so baby be strong
We'll be together again oh baby...Finally
Summer sun keeps shining
Finally
We will soon be dancing
You and me
We will be together finally (uno, dos, tres, cuatro!)Finally
Finally
You and me
we will be together finally (ola, Senorita!)Lying in bed, I'm feeling so sad
I want you here, oh I want you so bad
Do you miss me too? Do you love me too?
I'm leaving a message so please call me backI'm coming, I'm coming, so baby hold on
I love you, I love you there's no denying
Miss you, I miss you, so baby be strong
We'll be together again oh baby...Finally
Summer sun keeps shining
Finally
We will soon be dancing
You and me
We will be together finallyFinally
Finally
You and me
we will be together finally (Baile, everybody! Baile!)Live the vida loca, go crazy in the night
What a sweet sensation, let's dance the night away
I'm waiting here impatiently, he's coming back today~You and me
we will be together finally

Finally
Summer sun keeps shining
Finally
We will soon be dancing
You and me
We will be together finally
