

Let It Grow

Eric Clapton

Standing at the crossroads
Trying to read the signs
To tell me which way I should go
To find the answer
And all the time I know
Plant your love and let it growLet it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, let it growLooking for a reason
To check out of my mind
Trying hard to get a
Friend that I can count on
But there's nothing left to show
Plant your love and let it growLet it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, let it growTime is getting shorter
And there's much for you to do
Only ask and you will
Get what you are needing
The rest is up to you
Plant your love and let it growLet it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, so let itLet it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, so let it grow
