

Farewell, Farewell

Telstar Ponies

Farewell, farewell to you whod hear
 You lonely travelers all
The cold north wind will blow again
The winding road does callAnd will you never return to see
 Your bruised and beaten sons
Oh I would, I would if welcome I were
For they loathe me every oneAnd will you never cut the cloth
 Or drink the light to be
 And can you never swear a year
To anyone but weNo, I will never cut the cloth
 Or drink the light to be
 But Ill swear a year to one who lies
Asleep along side of meFarewell, farewell to you who would hear
 You lonely travelers all
The cold north wind will blow again
The winding road does call
