Love letter lyrics

I see your brokenheart and all it does it bleed
I know you are searching for that love that never leaves
Cause when you hear those words " I love you " it hard to believe
Cause people can be fade away just like the word they speak.

But I Know a greater love who can take away the pain and Never turns his back on you
He gave his life on the cross and shed his blood just to get back to you
He is so in love with you but you don't believe it
And it so beautiful but you can't even see it
So here's is what he says to you

He says " I want you and I need you ,I gave up my life to be with you ,and there is nothing in the world I wouldn't do for you, I don't care what you did ,I miss you ! , You messed up and you couldn't take it , you far away and I hate it , I guess the only thing I am saying is I am still right here waiting ,see I want you and I need you ,I gave up my life to be with you ,and there is nothing in the world I wouldn't do for you, I don't care what you did ,I miss you ! , You messed up and you couldn't take it , you far away and I hate it , I guess the only thing I am saying is I am still right here waiting.

When they hurt you ,it hurt me
I shed tears daily
Every single second you are away from me , I call your name come back to me
I know , I know , I am sorry that that happened
But I understand your pain when I got up on the cross and took your lashes
See ,I love you, I love you I love you I love you ,
I love you more than you can ever know ,
I hope this holes on my hands are enough to show
How much you mean to me, How much you mean to me, I tried telling you how much on Calvary
But still you tell me No
But I won't let that stop me
And nah ,I am not gonna force you
I will just ask politely
Will you love me ,like I love you?
When you feel alone ,can I hold you?
When everything is wrong can I make it right
Let me wrap you in my arms so I can change your life

" I want you and I need you ,I gave up my life to be with you ,and there is nothing in the world I wouldn't do for

you, I don't care what you did ,I miss you ! , You messed up and you couldn't take it , you far away and I hate it
 , I guess the only thing I am saying is I am still right here waiting
" I want you and I need you ,I gave up my life to be with you ,and there is nothing in the world I wouldn't do for
you, I don't care what you did ,I miss you ! , You messed up and you couldn't take it , you far away and I hate it
 , I guess the only thing I am saying is I am still right here waiting

" You know the crazy thing about love is it what we all looking for but just in the wrong places. You know I
never truly understand what love means until I met you "

Yours sincerely
Darling JESUS
