## Teen Suicide

Probably 'cause you care about  
probably 'cause you care about  
probably 'cause you care about her now

I wanna be happy  
i will never be happy  
i was born to kill myself Now i think about you  
now that i'm without you

I wanna be happy  
i want you to be happy too  
probably 'cause i'm worthless  
simply 'cause i have a worthless life  
Probably 'cause you care about  
probably 'cause you care about  
probably 'cause you care about her all the time

I feel fucking worthless  
how did i deserve this?  
i would give anything to  
simply see her

Now i think about you  
now that i'm without you

I wanna be happy  
i want you to be happy too  
probably 'cause i'm worthless  
simply 'cause i have a worthless life
