

Walking in Your Shadow (Alternative Version)

Uriah Heep

I'm walking in your shadow
Ever since you went away
And the clock on the wall
Really hasn't very much to say
Oh, you left me bleeding
And left me needing you In so very many ways
I was trying to attract your mind
But I'm the lonely one
'Cause I've had to leave it all behind Lied and deceiving
Why should I be grieving you Ride on a golden wave
Set sail for the sun
Make every cloud your slave
Don't be alone When I get back from my trip
Of the ocean wide
Still walking in your shadow
And still looking for somewhere to hide If I am worse off
It's all because of you
It's all because of you
