

Gangsta

Kakkmaddafakka

My mama always told me: If you're in trouble, always run
My papa always said to me: I never ever gonna carry the gun But heyhey, I've seem them wear those shoes, and
them hats
With them clothes and them guns, I wanna be cool, I wanna be bad Ooh, I wanna be a gangsta. Ooh, an original G
Ooh, I wanna be a gangsta. Ooh, an original G, so come on
Please give me your money, or else I shoot you with my gun My country always told me: Get an edu- education
My older brother said the same, but neither of us got the patience
(So listen up!)

If you want an extraordinary life, it calls for extraordinary dreams Ooh, I wanna be a gangsta. Ooh, an original G
Ooh, I wanna be a gangsta. Ooh, an original G, so come on
Please give me your money, or else I shoot you with my gun
Please give me your money, or else I shoot you with my gun So I'm collecting bottles because I am so poor
They say I should get a job, but then I have to work, so...
But then I have to work, so... Ooh, I wanna be a gangsta. Ooh, an original G
Ooh, I wanna be a gangsta. Ooh, an original G, so come on
Please give me your money, or else I shoot you with my gun
Please give me your money!
