

# Precious (Ft. Ranking Joe)

## Alborosie

I must have been foolish  
But how could I be such a fool to let you get away  
But why did I do it?  
'Cuz now, I'm lonely, oh baby, what can I say  
I want you, I need you, I love you  
Come back to me, precious love  
In good times, I'll be your sunshine  
No more bad times, come back to me my love  
My friends tried to tell me  
That you were the man of my dreams  
You should be in my life but I didn't listen  
And you're the only man for me  
And now, my heart is broken in pain  
It's taking over me  
'Cuz I want your love in my life  
It's something that I need and now, I'm crying  
Ooh, precious love  
Come back to me, my love  
I want you, I need you, I love you  
Come back to me, precious love  
In good times, I'll be your sunshine  
No more bad times  
Baby, I want you, I need you, I love you  
Precious love  
In good times, I'll be your sunshine  
No more bad times  
Must've been crazy to let go of my baby  
To let go of my baby, yeah, yeah, yeah  
Must've been crazy yo let go of my baby  
To let go of my baby, yeah, yeah, yeah, yeah  
Must've been crazy to let go of my baby  
I must've been crazy to let go of my baby  
Come back to me my love  
I want you, I need you, I love you  
In good times, I'll be your sunshine  
No more bad times  
I'll be your shining star  
I'll brighten all your skies  
And if you'll love me baby

Come back to me, precious love

Don't let me cry

Come back to me my love
