Carry the Torch

David Baroni

Verse 1
The world lies in darkness
Lost in their sins
And the world didn't know
The danger they're in
We who are called
To that glorious fight
Must shine like a beacon
Of love in the night

Chorus
We will carry the torch
We will lift high the flame
We will march thru the darkness
With the light of His name
Until the glory of God
Is seen by the world
We will carry the torch of the Lord

Verse 2
There's no need for failure
There's no need for fear
For the Lord goes before us
To make our path clear
Let the glorious flame
Let the glorious light
Let it shine out thru you
And shine in the night

Bridge
The torch is our Savior
The hope for all men
And as we lift Him up
We will draw all men
To Him

Chorus
We will carry the torch
We will lift high the flame
We will march thru the darkness

With the light of His name
Until the glory of God
Is seen by the world
We will carry the torch of the Lord
