

Happy Man

Chicago

Merely by chance very unsuspecting
You caught my heart unprotecting me
Now I've fallen in love with you Just when I thought I was free and easy
You came along to me soft and breezy
Now I've fallen in love with you, woo hoo
I've fallen in love with you And for the first time in my life
I know what it's like to be a happy man, happy man
And for the first time in my life
You've given me something I can't understand, being a happy man Be with me now, love me forever
Leaving you lady is something that I'd never do
I've fallen in love with you All of my life it seems I have waited
Now I can say all these words I have stated are true
I've fallen in love with you, woo hoo
Fallen in love with you, woo hoo
