

# Lucky Guy

## The Cascades

Lucky guy, you're the one she's thinking of  
And that's easy to see  
Lucky guy, you're the one who has her love  
When it used to be me Do you know that there once was a time when she said...  
Said she'll always be mine  
Oh that's when my friends  
Said I was such a lucky guy Lucky guy, now she's yours and yours alone  
While I watch from afar  
Lucky guy, how I wonder if you know  
Just how lucky you are Oh if I hadn't been such a fool she'd be mine  
She'd still love me, not you  
Oh I'd give anything  
If I were still the lucky guy  
Oh if I hadn't been such a fool she'd be mine  
She'd still love me, not you  
Oh she'd love only me and  
I would be a lucky guy  
I'd be a lucky guy  
I'd be a lucky guy  
I'd be a lucky guy
