

# Freedom Time

Norma Fraser

Everybody knows that they're guilty  
Everybody knows that they've lied  
Everybody knows that they're guilty  
Resting on their conscience eating their inside  
It's freedom, said it's freedom time now  
It's freedom, said it's freedom time now  
Time to get free, oh, give yourselves up now  
It's freedom, said it's freedom time  
Yo, there's a war in the mind, over territory for the dominion  
Who will dominate the opinion, skisms and isms  
Keepin' us in forms of religion, conformin' our vision  
To the world churches decision trapped in a section  
Submitted to committee election, moral infection  
Epidemic lies and deception, insurrection of the highest possible order  
Distortin' our tape recorders from here and like under water  
Beyond the borders fond of sin and disorder  
Bound by the strategy, it's systematic depravity, heavy as gravity  
Head first in the cavity, without a bottom, a fate worse than Sodom  
What's got 'em drunk of the spirits, truth comes, we can't hear it  
When you've been, programmed to fear it  
I had a vision, I was fallin' in indecision  
Apollin', callin' religion, some program on television  
How can dominant wisdom be recognized in the system  
Of Anti-Christ, the majority rules intelligent fools, PhD's in illusion  
Masters of mass confusion, Bachelors in past illusion  
Now who you choosin', the head or the tail, the bloodshed  
of male  
Or confidence in the veil, conferences of Yale  
Discussin' doctrines of Baal, causin' people to fail  
Keepin' the third in jail, His word has nailed  
Everything to the tree, severing all of me from all that I used to be  
Formless and void, totally paranoid, enjoy darkness as the Lord  
Keepin' me from the sword, blocked from mercy, bitter than Ceres  
Hungry and thirsty, for good meat we would eat  
And still dined at the table of deceit, how incomplete  
From confrontation to retreat, we prolong the true enemies  
defeat  
Destitute a necessity causin' desperation to get the best of me  
Punishment 'til there was nothing left of me  
Realizin' the unescapable death of me  
No options in the valley of decision  
The only doctrine, supernatural circumcision  
Inwardly only water can purge the heart, from words, the fiery darts  
Thrown by the workers of the arts, iniquity, shapen in  
There's no escapin' when you're whole philosophy is

paper thin  
In vanity, the wide road is insanity, could it be all of humanity?  
Picture that, scripture that, the origin of man's heart is black  
How can we show up for an invisible war  
Preoccupied with a shadow, makin' love with a whore  
Achin' in sores Babylon, the great mystery  
Mother of human history, system of social sorcery  
Our present condition needs serious recognition  
Where there's no repentance there can be no remission  
And that sentence, more serious than Vietnam  
The atom bomb and Saddam and Minister Farakkhan  
What's goin' on, what's the priority to you?  
By what authority do we do the majority hasn't a clue  
We majored in curses, search the chapters, check the verses  
Recapture the land, remove the mark from off of our hands  
So we can stand in agreement with his command  
Everything else is damned, let them with ears understand  
Everything else is damned, let them with ears understand  
It's freedom, said it's freedom time now  
It's freedom, I'ma be who I am  
It's freedom time, said it's freedom time  
Everybody knows that they've lied  
Everybody knows that they've perpetrated inside  
Everybody knows that they're guilty, yes  
Resting on their conscience eating their insides  
Get free, be who you're supposed to be  
Freedom, said it's freedom time now  
Freedom, said it's freedom time  
Freedom, freedom time now
