We Are Fools

Riley Pearce

Drop fire from your throat,
We will walk till we see that we're broken.
Somehow we stay afloat,
With no regrets this is what we have chosen now,
'Cause we are fools.We bear our hearts on our strings [?]
We bear our hearts for the strangest of things and I know,That we are not letting go.Forget your patient heart,
We have no room for a gradual desire.
Unleash your wicked jaw,If you're still breathing you've got to try harder now,
'Cause we are fools.We bear our hearts on our strings [?]We bear our hearts for the strangest of things and I know,
That we are not letting go.
Because we are fools.
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,

We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love,
We are just fools in love.
