

Mr. & Mrs. (I Do This for You)

Group 1 Crew

Just saw a movie,
and it made me think,
my life ain't Hollywood,
love don't come that easily.
and when I try so hard,
and just can't get it right,
it still amazes me,
you love to be here by my side.

cause everyday we get down on our knees,
asking God to help us be who we need to be
we're far from perfect but I trust and believe,
you and me can grow a heart that will truly say

I do this for you,
I do this for love,
I do this for,
the life we've been dreamin' of,
I give you my word,
attached with my heart,
that nothin' in this world
could ever tear us apart
I do this for you (I do this for, I do this for)
I do this for you (I do this for, oh, oh)
I do this for you (I do this for, I do this for)
I do this for you (I do this for, oh, oh ,oh-oh, oh)

I do it, I do it, yeah
I used to dream about,
callin' you my baby,
now that we're together,
man it feels so crazy,
I'm responsible,
to keep you happy daily,
make this house my home,
for my foxy lady.

cause everyday we get down on our knees,
asking God to help us be who we need to be
we're far from perfect but I trust and believe,

you and me can grow a heart that will truly say

I do this for you,
I do this for love,
I do this for,
the life we've been dreamin' of,
I give you my word,
attached with my heart,
that nothin' in this world
could ever tear us apart
I do this for you (I do this for, I do this for)
I do this for you (I do this for, oh, oh)
I do this for you (I do this for, I do this for)
I do this for you (I do this for, oh, oh ,oh-oh, oh)

you know I love you baby,
no one compares to you,
no matter what we go through,
it's gon be me and you,
you know that I love you baby (you know I love you baby, no one compares to you)
nothing in my life compares to you (no matter what we go through, it's gon be me and you)
no matter what we go through baby (you know I love you baby, no one compares to you)
it will always be me and you (no matter what is)
always be me and you

I do this for you,
I do this for love,
I do this for,
the life we've been dreamin' of,
I give you my word,
attached with my heart,
that nothin' in this world
could ever tear us apart
I do this for you (I do this for, I do this for)
I do this for you (I do this for, oh, oh)
I do this for you (I do this for, I do this for)
I do this for you (I do this for, oh, oh ,oh-oh, oh)

I do it, I do it, for you,
oh, always gonna be my baby,
no matter what we go through,
it will always be me and you
