

# Juggernaut

## Five Iron Frenzy

Juggernaut, juggernaut This seems too big for me  
Hulking monstrosity  
Too late to get out now  
And like the speed of sound  
This thing has brought me down  
I don't remember how I want to be free but Juggernaut is killing me Freedom like a song  
The weak shall be made strong  
I may sink before I swim  
But I'm not giving in to you Juggernaut, Juggernaut Beneath the scenery  
Specter of treachery  
And I've lost everything  
And I am getting out  
The shadow of my doubt  
Is suffocating My own worst enemy, this Juggernaut, is killing me Freedom like a song  
The weak shall be made strong  
I may sink before I swim  
But I'm not giving in to you From machines that I have made  
I've become the slave  
but I've been carried all along  
Freedom like a song Freedom lifts me like a song  
When the weak shall be made strong  
I may sink before I swim  
But I'm not giving in Into you  
The weak shall be made strong  
and I may sink before I swim  
But I'm not giving in to you Juggernaut, Juggernaut (x4)
