Not Feelin' the Love

R. Kelly

Lately you've been actin' strange towards me, baby
And your heart, it seems to grown straight cold
You used to laugh at everythin' I said, baby
Now you play me like my jokes are old, yeahAnd girl, we used to talk about everythin'
Like dancin' 'til when we're old and gray
And all those photographs I took, yeah
You don't give me that same look, yeah
When I ask you, you say everythin's okayWell, I'm not feelin' the love no more
And though I see you standin' there I can't find you anywhere
I'm not feelin' the love, girl, no more, babe
Tell me who the, what the, where did we go wrong?Feels like I'm livin' all alone in this big old house
'Cause girl, you're distant and your words are few, oh
It's like battle of the silence, you've won this war
'Cause it seems I'm just a ghost to you, a ghost, babeAnd girl, we used to talk about everythin', everythin', babe
Like makin' love 'til we're old and gray
And all those photographs I took
You don't give me that same look
And when I ask you, you say everythin's okayWell, I'm not feelin' the love, babe, no more, no more, baby
And though I see you standin' there I can't find you anywhere
I'm not feelin' the love, girl, no more, no more, baby
Tell me who the, what the, where did we go wrong?I remember
I remember we used to make sweet love through the night
Yeah, and we would do it 'til the mornin' light
Girl, reminisce on all the little secrets we canKnock it, baby, knock it, baby
Oh, knock it, baby, knock it, baby
But [Incomprehensible]I'm not feelin' the love, babe, no more, no more, baby
And though I see you standin' there I can't find you anywhere
I'm not feeling the love, girl, no more, no more, babe
Tell me who the, what the, where did we go wrong? YeahI'm not feeling the love, babe, no more, no more, babe
And though I see you standin' there I can't find you anywhere
I'm not feelin' the love, girl, no more
Tell me who the, what the, where did we go wrong?I'm not feeling the love, no more
And though I see you standin' there I can't find you anywhere
I'm not feelin' the love, girl, no more, no more, babe
Tell me who the, what the, where did we go wrong?
