Spending My Time

Roxette

What's the time? Seems it's already morning I see the sky, it's so beautiful and blue The TV's on but the only thing showing Is a picture of youOh, I get up and make myself some coffee I try to read a bit but the story's too thin I thank the Lord above, you're not here to see me In this shape I'm inSpending my time, watching the days go by Feeling so small, I stare at the wall Hoping that you think of me too I'm spending my timeI try to call but I don't know what to tell you I leave a kiss on your answering machine Oh, help me please, is there someone who can make me Wake up from this dream? Spending my time, watching the days go by Feeling so small, I stare at the wall Hoping that you are missing me tooI'm spending my time, watching the sun go down I fall asleep to the sound, of tears of the clown Prayer gone blind, I'm spending my timeMy friends keep telling me, "Hey, life will go on" Time will make sure I'll get over you This silly game of love you play, you win only to loseI'm spending my time, watching the days go by Feeling so small, I stare at the wall Hoping that you think of me tooI'm spending my time, watching the sun go down I fall asleep to the sound, of tears of the clown Prayer gone blind, I'm spending my timeI can't live without your love Good I am spending my time My time, my time Makes me big without you honey, honey
