

Nothing 2 Lose

KYLE

Boy I'm doing good, how bout you? (how bout you)
All the homies doing good too (doing good too)
If a nigga trippin' we ain't really trippin' (ain't really trippin')

We got nothing to lose, got nothing to lose

Boy I'm doing good, how bout you? (how bout you)
All the homies doing good too (doing good too)
If a nigga trippin' we ain't really trippin' (ain't really trippin')

We got nothing to lose, got nothing to lose

Got nothing to lose, got nothing to lose

Got nothing to lose, got nothing to lose

If a nigga trippin' we ain't really trippin'

We got nothing to lose, got nothing to lose

I bought a crib, I'll paint it pink and blue

A nerdy nigga into Pikachu

But who got hands? I'm down to catch 'em all

I got nothing to lose, got nothing to lose (facts)

I don't care what you say, you niggas corny, right

Missionary, all these niggas boring, right

I played your mixtape and fell asleep, facts

I don't know what you on, but it ain't repeat

No, that shit is one-done-da-da

Have you thought about going to college? Well you oughta

Karma

I cosign myself so you don't gotta

Cause' I only need approval from my niggas and my momma

Got 'em

Boy I'm doing good, how bout you? (how bout you)
All the homies doing good too (good too)
If a nigga trippin' we ain't really trippin' (ain't really trippin')

We got nothing to lose, got nothing to lose

Boy I'm doing good, how bout you? (how bout you)

All the homies doing good too (doing good too)

If a nigga trippin' we ain't really trippin' (ain't really trippin')

We got nothing to lose, got nothing to lose

Got nothing to lose, got nothing to lose

Got nothing to lose, got nothing to lose

If a nigga trippin' we ain't really trippin'

We got nothing to lose, got nothing to lose Ooh, ooh I think another platinum plaque is coming soon

Who knew I would make it out these twenty dollar shoes

I just got too popping for my spot, I gotta move
Cause people plotting on me, yeah I got em too
But got nothing to prove, remember I was doing bad
Life hit me hella hard
I got up and hit that nigga back
I know they wanna see me come in last
Tell 'em see you later gotta blast
They was sleeping on me hella bad
Now I got them all up from their nap
Yeah, and this ain't one-done-da-da
This year was a movie, and next year gon' be the saga
Karma
