

Make Tonight Beautiful

Patti LaBelle

I have some beautiful thoughts
And I need a man like you
To share them with me darling, hey I've been waiting to taste your kiss
Touch you in the dark, hold you to my heart
I've been hoping for that moment
We'd be making love now that time has come Come with me tonight
Share my dream
Change my life and Make tonight beautiful
(Make it nice)
Make tonight something more
Than any night I've ever known
In my life before
(I know you're the one who can do it) Make tonight beautiful for me
Hold me close and don't let go
Lay with me and stay with me tonight
Make tonight a beautiful night Oh, why don't you
Turn the lights down, tune the world out?
There's a world of love waiting there for us
Let me take you to a place you've
Never been before open up a door To a dream come true
Take my hand
And show me how to Make tonight beautiful
(Make it, oh)
Make tonight something more
(I need you to)
Than any night I've ever known
In my life before Make tonight beautiful for me
(I need you to make it nice)
Hold me close and don't let go
(I want you to hold me close and don't let go)
Lay with me and stay with me tonight
Oh, make it beautiful And show me all the magic the night can bring
You're my door to Heaven, you're all I need
I've waited all my life to look in your eyes
So stay with me, make love to me Make tonight beautiful
Make tonight something more
(Make it nice)
Than any night I've ever known
In my life before Make tonight beautiful for me

(Oh, hold me)
Hold me close and don't let go
(Hold me close and don't let go)
Lay with me and stay with me tonight
(Stay, I've got good love for you) Please lay with me and stay with me tonight
(True love for you, oh, I)
Honey, lay with me and stay with me tonight
(Oh, just love me all night)
Oh I, oh I, oh, I'm satisfied
