Last Thing on My Mind

Ronan Keating

Four oclock in the morning
My minds filled with a thousand thoughts of you
How you left me without a warning
But looking back Im sure you tried to talk it throughNow I say it so clearly
We have been together but living separate livesSo I wanna tell you Im sorry
Baby, I cant find the words
But if I could
Than you know I would, yeahNo, I wont let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mindYou carried me like a river
How far we have come still surprises meNow I look in the mirror
(Look in the mirror)
Staring back is a man I used to be with you
How I longed for youNo, I wont let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mindGirl, Im sorry I was wrong
Couldnt be there, should have been so strong
So Im sorryOhh, no, I wont let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mind
(On my mind)I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mind
On my mind
(On my mind)
