

Last Thing on My Mind

Ronan Keating

Four oclock in the morning
My minds filled with a thousand thoughts of you
How you left me without a warning
But looking back Im sure you tried to talk it through Now I say it so clearly
We have been together but living separate lives So I wanna tell you Im sorry
Baby, I cant find the words
But if I could
Than you know I would, yeah No, I wont let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mind You carried me like a river
How far we have come still surprises me Now I look in the mirror
(Look in the mirror)
Staring back is a man I used to be with you
How I longed for you No, I wont let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mind Girl, Im sorry I was wrong
Couldnt be there, should have been so strong
So Im sorry Ohh, no, I wont let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mind
(On my mind) I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, Im sorry now, you were the last thing on my mind
On my mind
(On my mind)
