

Redemption

August Burns Red

I trust in You for life to live, air to breathe
Purity fills my lungs
I trust in You for life to live, air to breathe
Purity fills my lungs I no longer live in solitude, no longer bound
My heart beats with great devotion
This is the start to a new beginning I no longer live in solitude, no longer bound
My heart beats with great devotion
This is the start to a new beginning On my knees praying for mercy
Hands raised high, humble and broken Wanting Your grace, wanting Your security
Memories of laying face down motionless
With such a hollow feeling inside
Soon I would end this life I was living I am just a man with a heart and sinful hands
I am a fallen victim
I am just a man with a heart and sinful hands
I am a fallen victim I am just a man with a heart and sinful hands
I am a fallen victim
I am just a man with a heart and sinful hands
I am a fallen victim Lord, show me the way Let my words be Your words
Let my thoughts be Your thoughts
Let my words be Your words
Lord, show me the way I ask of You Father
To You, I give You my praise
To You, I give You my praise
To You, I give You my praise Show me the way, take me in Your arms
Never let me go I trust in You, I trust in You
Follow it down now, follow it down now Live to breathe, air to breathe
Purity fill my lungs Lord, show me the way as I give myself to You
Never let me go, hold me with Your everlasting love
Be my strength, be my voice, my glory
Set me free
