

# I Am Ronin

## Adam Ronin

I am the darkness. I am the fallen.  
I am the reason that your heart is so rotten.  
I am the fear. I am the pain.  
I am the reason that your soul is full of shame.  
So fucking say it! Say it to my face.  
Say it so I know that you cowards are so misplaced.  
Cause if I didn't already hate you all as if I didn't need  
another reason to let go of your hand and watch you fall down.

I get up and I stand tall,  
cause all I need is to rise above  
everyone that says I can't do it.

I am ronin death to your false gods.  
Another no one everyone I torch and I'm coming out,  
but I will rise like a phoenix. (x2)

I am the hated. I am disaster.  
You opened your mouth what you'd think would fucking happen?  
I am disgust and I am the worst  
there's not a thing that you could say to break me cause  
i'll say it first just dribble your words and write your fucking lies  
cause everyone knows that there's malice behind those eyes  
and I don't need a god damn one of you  
I'll do it on my own like a rogue samurai.

I fall down. I get up and I stand tall,  
cause all I need is to rise above  
everyone that says I can't do it.

I am ronin death to your false gods.  
Another no one everyone I torch and I'm coming out,  
but I will rise like a phoenix. (x2)

I'm beautiful like the sword swallowing the stars,  
but I found eyes that I can never take burning you alive,  
cause it's my life you will never survive,  
so I am trying to sacrifice my soul like a heretic.  
You all make me sick flapping those gums like a piggy bitch  
don't you all have something better to do?

Shoot em all later you all will lose.

And iâ€™m better than that  
oh, iâ€™m better than that  
oh, iâ€™m better than that  
oh, iâ€™m better than that  
oh, iâ€™m better than that  
Better than that.

I am ronin death to your false gods.  
Another no one everyone I torch and iâ€™m coming out,  
but I will rise like a phoenix. (x2)
