Forever and Ever

8mm

Forever and ever.
Forever and ever.
(Forever and ever.)

Home is where you are,
Kind of tragic that I left your side.
Left your side, left your side.
I recall a smile, a kiss.
When the sun did rise,
By your side, I was by your side.
I gotta tell you how it feels now.

You're my air, when I feel I can't breathe.
Catching me, when I'm tripping over my feet.
We'll get through this together.
You're my smile, when I just want to cry.
Make it all better as you kiss my sad eyes.
I'm giving you my forever and ever.

Forever and ever.
Forever and ever.
(Forever and ever.)

The hug, the kiss, the love.
All the magic that we're feeling inside,
Deep inside, deep inside.
It's hard to find the words,
The courage is somewhere inside,
Deep inside, deep inside.
Gotta tell you how it feels now,
I'm ready to fall.

You're my air, when I feel I can't breathe.
Catching me, when I'm tripping over my feet.
We'll get through this together.
You're my smile, when I just want to cry.
Make it all better as you kiss my sad eyes.
I'm giving you my forever and ever.

Forever and ever.

Forever and ever.
(Forever and ever.)

Sat down thought about it today,
If I only had a breath what would I want to say?
Something sweet, something real, something real sweet.
Thought real hard.
And only one thing,
(Only one thing.)
Only one thing,
(Only one thing.)
Oh only one thing, came to me.

You're my air, when I feel I can't breathe.
Catching me, when I'm tripping over my feet.
We'll get through this together.
You're my smile, when I just want to cry.
Make it all better as you kiss my sad eyes.
I'm giving you my forever.

You're my air, when I feel I can't breathe.
(Forever and ever.)
Catching me, when I'm tripping over my feet.
We'll get through this together.
(Forever and ever.)
You're my smile, when I just want to cry.
(Forever and ever.)
Make it all better as you kiss my sad eyes.
(Forever and ever.)
I'm giving you my forever and ever.
