# Don't Be A Stranger

## Graham Coxon

God it takes you so long just to think
You're um and ah-in, I ain't laughing
Your brain so dead it's starting to stink
It's dripping awful by the earful nice, tonightGod it takes you so long just to think
You're um and ah-in, I ain't laughing
Your brain so dead it's starting to stink
It's dripping awful by the earful nice, tonightBig rock, dog eating indie frogLight yourself a cigarette, fix yourself a drink
Don't be a stranger, don't be stranger
Light yourself a cigarette, fix yourself a drink
Don't be a stranger to your shrinkI'm convinced that you're the missing link
Looking scary, very hairy
Half your nose is floating in the sink
I saw your nostrils forming eyeballs late last nightBig rock, dog eating indie frogLight yourself a cigarette, fix yourself a drink
Don't be a stranger, don't be stranger
Light yourself a cigarette, fix yourself a drink
Don't be a stranger to your shrinkBig rock, dog eating indie frogLight yourself a cigarette, fix yourself a drink
Don't be a stranger, don't be stranger
Light yourself a cigarette, fix yourself a drink
Don't be a stranger to your shrinkLight yourself a cigarette, fix yourself a drink
Don't be a stranger, don't be stranger
Light yourself a cigarette, fix yourself a drink
Don't be a stranger to your shrink
