Defiling the Gates of Ishtar

Nile

Impure am I
Impure I spill my seed
Upon barren earth
And spit in the face of the GoddessUnclean am I
Unclean I copulate
With the hands of the God
And defile the gates of IshtarUnblessed am I
Unrepentant
DefiantBuh Luh Uh
Si il Inanna
As Gi Su Ak
Gis Tes
Gis TesUnwashed am I
Unwashed I lay violent hands
Upon the Altar of the GoddessIn filth I lay
In filth I desecrate
And profane the Temple of Ishtar
And blaspheme in the presence of whoresBaad Angarru
NinnghizzhiddaOpen the gate that I may enter
Open
Lest I attack the gate
Open
Lest I break down the wallsOpen the gate
Lest I 'cause the dead to outnumber the living
Open the gate
Lest I 'cause the dead to rise and devour the living
