

# Too Close (Catching Flies Remix)

Wilkinson

Oh oh you shout me down you left me here on the floor

I left my self wide open

And I shouldn't know Don't come too close I won't give away my heart

Don't come too close I won't give away my heart

Don't come too close I won't give away my heart

Don't come too close I won't give away my heart Don't come too close I won't give away my heart

Don't come too close I won't give away my heart

Don't come too close I won't give away my heart

Don't come too close I won't give away my heart Oh oh you shout me down you left me here on the floor

I left my self wide open,

And I shouldn't know
