It's a blockbuster hits, midnite attraction, a definite double feature

I am the butter on your the corn girl, I'm here to make you pop
An Oscar winning performer, girl check out the plot
After 12 o'clock my door away she knock
Tick a tick, a tock, chain screech around the back
And your sex file attache, you're no diplomat
Grant me immunity so I man dilute you spot
Let Mr. Lover massage your back
