

Time Is Money

J Stalin

[Intro - Big Meech]

This Big Meech from the richest black muthafucking gang in the world
My nigga always say, there's only two things a nigga can do for you
You either got time or money, can't have em both
Nigga with money, don't have no time
Nigga with time, don't have no money
We don't have a lot of time around here 'cause time is money

[Verse 1 - Akon]

Give me one minute, cause you tripping
Too much time on your hands, you slipping
Why you focused on all this dealing?
When niggas coming in through the back door stealing?
Crib on the hill: now that's good living
Harder to reach when you make your first million
So much money gotta stack to the ceiling
And I'mma keep doing this forever, God-willing
Real niggas like me don't catch feelings
Only broke niggas be out there grilling
Say you getting money but you ain't even tipping
A big-booty girl in front of you dipping
Fronting like you really doing all that shipping
Man you gotta be, gotta be kidding
Don't even try cause my weapon is hidden
My nigga is ready to do some killing

[Hook - Akon]

I'mma tell you just one time: give me what's mine
Cause I don't have time to waste
I'll be on my grind, money on my mind
And I won't stop getting paid
Living this life of mine
I don't know if you really got what it takes
Hustling's in my blood and it just won't go away
Time, money, time, money

Nigga with money, don't have no time
Nigga with time, don't have no money

[Verse 2 - Akon]

â€˜Kon live in one year, made millions
Everybody got money: nigga, we chillin
Ainâ€™t got no time: itâ€™s some bad feelings
Especially when you want a little sexual healing
 Girlfriendâ€™s pulling, familyâ€™s pulling
 In every direction, everybody need money
 My lifestyle redefine how they all living
 If I keep it up Iâ€™ll be broke in a minute
 My kinfolkâ€™s on the block and they dealing
 All my goons are still out there killing
 Man I be running, got no time to be skipping
 Trying to hit a home run in the 9th inning
 Meech locked up, copped out, for a killing
 Taking care of mine, San Quen chilling
 Thatâ€™s my homie, you can trust that nigga
 Just a matter of time before I get back with him

[Hook - Akon]

Iâ€™mma tell you just one time: give me whatâ€™s mine
 Cause I donâ€™t have time to waste
 Iâ€™ll be on my grind, money on my mind
 And I donâ€™t stop getting paid
 Living this life of mine
I donâ€™t really know if you really got what it takes
 Hustlingâ€™s in my blood and it just wonâ€™t go away
 Time, money, time, money

Nigga with money, donâ€™t have no time
Nigga with time, donâ€™t have no money

[Verse 3 - Akon]

Gotta look out for haters if you wanna be blockinâ€™
 Look out for stick up kids that be robbinâ€™
Look out for ladies with their hands in your pocket
 If you donâ€™t, youâ€™ll be the next hot topic
 Donâ€™t wanna be the next one dropping
 6 feet deep like conans coffin
 Iâ€™d rather see you out there flossing
 Love to see another brother getting it poppin
 Chase that paper, donâ€™t you wait up
 Get your money nigga, fuck them haters
 Everybody complain about your time
You ain't got none? Find a way to make it up later
 Cause I ain't got time for all that
 And you ain't got time for all that

And I don't wanna waste your time
On behalf of BMF bring Meech back!

Time is money, time is money
Time is money, time is money
Time money, time money
time is money
Time money, time money

Nigga with money, don't have no time
Nigga with time, don't have no money
Nigga with money, don't have no time
Nigga with time, don't have no money
