

Hackensack (MTV-Unplugged)

Katy Perry

I used to know you when we were young

You were in all my dreams

We sat together in period one

Fridays at 8:15

Now I see face in the strangest places

Movies and magazines

I saw you talkin' to Christopher Walken

On my TV screen But I will wait for you

As long as I need to

And if you ever get back to Hackensack

I'll be here for you I used to work in a record store

Now I work for my dad

Scraping the paint off of hard wood floors

The hours are pretty bad

Sometimes I wonder where you are

Probably in L.A.

That seems to be where everybody else ends up these days But I will wait for you

As long as I need to

And if you ever get back to Hackensack

I'll be here for you
