

# Religious Bumfucks

## Dayglo Abortions

Advisory - the following lyrics contain explicit language:

It's getting late you're gonna die  
They're trying to scare us with their lies  
The 700 club is full of shit  
The evangelists can suck my dick  
I don't need religious bumfucks anymore  
Their paranoia is here to stay  
You all believe them anyway I hate buddhism  
I hate satanism  
I hate reaganism  
I hate religion
